Scope of assessment

Samples were drawn from the current production batch under Gramrosh batch-sampling SOP-04 and sealed in the presence of the production supervisor. Analysis covered adulteration markers, heavy metals, microbiological load and moisture content against BSTI BDS 1143 and EU Commission Regulation 1881/2006 limits.

Declaration

Gramrosh publishes this document on every product page as part of its batch-transparency commitment. Results apply to the batch referenced above and are re-issued whenever a new harvest enters the packing line.
